END USER CERTIFICATION OF COMPLIANCE

California Civil Code - Section 1785.14(a)

Section 1785.14(a), as amended, states that a consumer credit reporting agency does not have reasonable grounds for believing that a consumer credit report will only be used for a permissible purpose unless all of the following requirements are met:

Section 1785.14(a)(1) states: "If a prospective user is a retail seller, as defined in Section 1802.3, and intends to issue credit to a consumer who appears in person on the basis of an application for credit submitted in person, the consumer credit reporting agency shall, with a reasonable degree of certainty, match at least three categories of identifying information within the file maintained by the consumer credit reporting agency on the consumer with the information provided to the consumer credit reporting agency by the retail seller. The categories of identifying information may include, but are not limited to, first and last name, month and date of birth, driver's license number, place of employment, current residence address, previous residence address, or social security number. The categories of information shall not include mother's maiden name."

Section 1785.14(a)(2) states: "If the prospective user is a retail seller, as defined in Section 1802.3, and intends to issue credit to a consumer who appears in person on the basis of an application for credit submitted in person, the retail seller must certify, in writing, to the consumer credit reporting agency that it instructs its employees and agents to inspect a photo identification of the consumer at the time the application was submitted in person. This paragraph does not apply to an application for credit submitted by mail."

Section 1785.14(a)(3) states: "If the prospective user intends to extend credit by mail pursuant to a solicitation by mail, the extension of credit shall be mailed to the same address as on the solicitation unless the prospective user verifies any address change by, among other methods, contacting the person to whom the extension of credit will be mailed."

In compliance with Section 1785.14(a) of the California Civil Code, _____ ("End User") hereby certifies to Consumer Reporting Agency as follows: (Please Check)

End User (IS) _____ (IS NOT) _____ a retail seller, as defined in Section 1802.3 of the California Civil Code ("Retail Seller") and issues credit to consumers who appear in person on the basis of applications for credit submitted in person ("Point of Sale"). End User also certifies that if End User is a Retail Seller who conducts Point of Sale transactions, End User will, beginning on or before July 1, 1998, instruct its employees and agents to inspect a photo identification of the consumer at the time an application is submitted in person.

End User also certifies that it will only use the appropriate End User code number designated by Consumer Reporting Agency for accessing consumer reports for California Point of Sale transactions conducted by Retail Seller.

If End User is not a Retail Seller who issues credit in Point of Sale transactions, End User agrees that if it, at any time hereafter, becomes a Retail Seller who extends credit in Point of Sale transactions, End User shall provide written notice of such to Consumer Reporting Agency prior to using credit reports with Point of Sale transactions as a Retail Seller, and shall comply with the requirements of a Retail Seller conducting Point of Sale transactions, as provided in this certification.

FCRA Requirements

Federal Fair Credit Reporting Act (as amended by the Consumer Credit Reporting Reform Act of 1996)

Although the FCRA primarily regulates the operations of consumer credit reporting agencies, it also affects you as a user of information. We suggest that you and your employees become familiar with the following sections in particular:

§ 604. Permissible Purposes of Reports § 607. Compliance Procedures § 615. Requirement on users of consumer reports § 616. Civil liability for willful noncompliance § 617. Civil liability for negligent noncompliance § 619. Obtaining information under false pretenses § 621. Administrative Enforcement § 623. Responsibilities of Furnishers of Information to Consumer Reporting Agencies § 628. Disposal of Records

Each of these sections is of direct consequence to users who obtain reports on consumers.

As directed by the law, credit reports may be issued only if they are to be used for extending credit, review or collection of an account, employment purposes, underwriting insurance or in connection with some other legitimate business transaction such as in investment, partnership, etc. It is imperative that you identify each request for a report to be used for employment purposes when such report is ordered. Additional state laws may also impact your usage of reports for employment purposes.

We strongly endorse the letter and spirit of the Federal Fair Credit Reporting Act. We believe that this law and similar state laws recognize and preserve the delicate balance between the rights of the consumer and the legitimate needs of commerce.

In addition to the Federal Fair Credit Reporting Act, other federal and state laws addressing such topics as computer crime and unauthorized access to protected databases have also been enacted. As a prospective user of consumer reports, we expect that you and your staff will comply with all relevant federal statutes and the statutes and regulations of the states in which you operate.

We support consumer reporting legislation that will assure fair and equitable treatment for all consumers and users of credit information.

Member agrees to comply with all applicable federal, state and local laws, including the Fair Credit Reporting Act as amended by the Fair and Accurate Credit Transactions Act of 2003, 15 U.S.C. § 1681 et seq
